

## KARA 4600 SERIES

Since 1998, Cape Contract Furniture has been creating and building chairs that combine unmatched comfort with timeless style and uncommon value.

In that time the Alexander brothers have made an international recognized name with furniture that creates the right moods in any of today's professional settings. Whether you're working in a new space, or breathing life into one that's ready to evolve, your choice of chairs will determine the impressions your environment will make. Let Cape make them last.
